## About

Hi! Thanks for taking the time to learn more about me.

I take pride in finding the ability to do most things myself, whether it's making clothes to making furniture, making my ideas to reality is the best part.

My hobbies include gaming, making things, cooking, and just having conversations with people.

Let me know if you want to play a game or chat!

Discord: @mochi\_rat

Clothing Insta: @devilish\_rags

## Experience

### Sunnyside Corporations

General Manager// August 2023 - Current

Handling of inventory and communication with other groups. Currently developing a system to help provide for a high turn over rate with inventory, which would help both employees and new hires.

### Johnson&Johnson

Industrial Design Intern // May 2020 - Dec 2020

Participated in multiple projects that varied in topics from bronchoscopy to wound closure. Understanding the users of both medical professionals and patients through each project.

### Lunar Gala

Fashion Designer // Sept 2018 - April 2019

Student run fashion show. Developed a full line and coordinated with models and producers.

## Education
